Dear Ms Marshall,

As the Member of Parliament for Faversham and Mid Kent and, coincidentally, the Minister for Sport and the Olympics, I am delighted to offer my support to Kent Sinfonia for their second tour of China. They are the leading professional orchestra in Kent so I am particularly pleased to see them have the opportunity to perform on an international stage.

It is very appropriate that I write this letter as the Minister responsible for transferring the success of the Beijing Olympics to London. I am also delighted that the orchestra spends so much time reaching out to young people and schools as part of their core mission.

Good luck with the fundraising and all my very best wishes for a successful tour.

Yours etc.

Hgr.
